

China 中國

Zhōng Guó

*The Mightie Kingdome:
"China is much more than
it sounds, and the sight
must be seen and not
heard, beacuse hearing it
is nothing in comparison
with seeing it." **

** Gaspar da Cruz, Portuguese Dominican, in the first Western book published about China, *Tractado em que so cōtam muito por esteso as cousas da China* (Treatise in which is told many things about China) 1569.*
